

How to Use the PEFCU Mobile App for Check Deposit Capture

Log in to the PEFCU Mobile App.

Select the “Deposits” tab/icon. Depending on type of phone this icon will be at the top or bottom of your screen.

Select “New Deposit” and follow the instructions.

Important Note:

Before you take a photo of the front & back of your check, make sure you endorse the check AND write “Mobile Deposit” under your signature.

When taking the photographs of the check, make sure you include all four corners of the check.
